IMPORTANT NOTICE

The order of the Standard Catalogue of U. S. Coins and Tokens and the Standard Paper Money Catalogue has been followed in this catalogue. So that collectors may have a quick guide to value we have placed after each lot the 1942 catalogue valuation with such revisions as appear in the 1943 supplement. This valuation is by no means a limit or reserve. Where a definite valuation has not been given in the catalogue for condition quoted it has been averaged. United States proof coins are in great demand and most dealers offer 60% to 80% of catalogue for them. Therefore bids of less than 70% of catalogue will not be entered. The scarcer proofs usually bring above 80% of catalogue value.

CONDITIONS OF SALE

1. All bids to be Per Lot as numbered in the catalogue.
2. All bids to be by mail. The highest bidder to be the buyer. All bidders must have an established credit with the Cataloguers or send a deposit equal to 25% of their bids.
3. The lots will be on exhibition for one week prior to time of sale.
4. Accounts are payable when bills are rendered and must be paid promptly.
5. The authenticity of the coins is guaranteed by the Cataloguers but all claims must be made within thirty days.
6. We charge no commission for purchasing at our sales.
7. Estimates of any lots will be furnished by the Cataloguers upon request.
8. A printed List of PRICES REALIZED will be sent free to subscribers to The Coin Collector's Journal, or to others upon receipt of 50 cents.

1943 SUPPLEMENT
to
**THE STANDARD CATALOGUE OF
UNITED STATES COINS & TOKENS**
Price 25 Cents

There will be no 1943 edition of the Standard Catalogue of United States Coins and Tokens. The editors feel, however, that it is necessary to publish a supplement as there have been many valuation changes in the most popular series. Every catalogue purchased within the last three years may be brought up to date by the purchase of this supplement. A new feature in response to a popular demand is the listing of the later silver coins including mint marks 1892 to 1942.

1943 SUPPLEMENT
to
The Standard Paper Money Catalogue
Price 25 Cents

When this catalogue was issued it was not the intention of the publishers to make it a yearly feature as the interest in paper money does not warrant such frequent publication. The tabulation of the \$1, \$2, and \$5 notes is one of the features of the catalogue and they have become so popular that values have changed rapidly. In the supplement we give a complete new listing with present day market values. The valuations of Fractional Currency have also been carefully revised.

Supplements may be obtained direct from the publishers, or from your own dealer.
